

Worldwide Alliance of Equine Osteopaths

www.equineosteopathy.org

The Worldwide Alliance of Equine Osteopaths (WAEO) is a non-profit corporation founded in 2013. The WAEO was organized for educational and scientific purposes. The mission of the WAEO is to promote the benefits and advance the practice of equine osteopathy. The WAEO works to provide continuing education for its members and support scientific research in equine osteopathy. To this end, the WAEO holds annual conferences for its members and others who are interested in the health and well-being of the horse.

The 4th Annual WAEO Conference will be on September 16th and 17th 2017 at the Radisson Hotel & Conference Center in Green Bay, WI. Speakers from around the world will be coming to impart their knowledge and expertise on the topics of equine osteopathy and related fields. We are seeking sponsors to help support this effort to provide an exceptional educational opportunity.

Sponsors of the WAEO conference will be acknowledged in printed material, on our website, through social media and during the conference itself. We anticipate attendance at the conference to be approximately 100 people. Our group is small, but far reaching. You will be connecting with professional horse people from across the United States, Canada, Australia, and Europe.

Please take a moment to look over the sponsorship opportunities. If you have any questions contact Frances Loehr at info@equineosteopathy.org

Thank you for your support of the Worldwide Alliance of Equine Osteopaths!
